

STRIDE to turn the tide

June 12 & 13, 2010

Over 5,000 grandmothers and 'grand others' from the Stephen Lewis Foundation's Grandmothers to Grandmothers Campaign will be walking in support of African grandmothers caring for children orphaned by AIDS. Cumulatively, their strides will span the 8,000 kilometres across Canada from coast to coast.

***Come join the Grandmothers
in Your Community or Donate!***

All proceeds will go to the Stephen Lewis Foundation
